Private Sales Pen

Up to 25 Lots with Go Ultimate Membership

Livestock Lounge's Private Sale Pen provides an opportunity to buy and sell livestock as a direct farm-to-farm private sale. It is an alternative way of marketing and trading livestock, offering many benefits for producers, buyers and the animals themselves.

Use the category links to view the livestock currently being offered for sale on Livestock Lounge.

To gain more information about the animals, the sellers can be contacted directly.

Bespoke Private Sales Catalogue Feature

Download your very own Sales Catalogue within our Private Sales Pen feature on Livestock Lounge.

These can be downloaded, printed for display, shared on social media or emailed to any perspective buyers. These bespoke catalogues can be designed with colours of your choice and are free to download with your Go Ultimate Membership Package.

Weekly Live Timed Auctions

Buy or Sell Livestock and Machinery / Equipment on our weekly Live Timed Auctions on Livestock Lounge. Free to join with only 5% commission charged to the vendor on any successful sales. Payment is done via PayPal directly between the buyer and seller.

Just choose your sales category and upload photos & videos of your Lots which will be approved by our team before being put forward for sale. Vendors can upload Lots from 9am every Saturday to 9pm the following Monday.

All Lots are open for bids from Tuesdays at 9am until Friday at 3pm. Buyers can bid on Lots during this time only and must be logged into Livestock Lounge to view Lots and place bids.

We have put together answers to some commonly asked questions about using Livestock Lounge and the Live Auctions feature on our website.
